Abstract

Here is the abstract.

Keywords: keyword 1, keyword 2.

1 Introduction

1.1 Notation

Vectors and matrices are boldfaced $\boldsymbol{a}, \boldsymbol{A}$. Sets and spaces are caligraphic and uppercase $\mathcal{S}$, probability measures and some sets are bold-faced, $\mathbb{P}$.

You can make equations by

$$\alpha \star \beta \tag{1}$$

and inline equations are $\sum \alpha + \beta$
